

Sprinkler SAFE House Orientation

This 3-hour orientation program is designed to familiarize fire departments with the Department of Fire Service's Sprinkler Demonstration Trailer / Fire Safety House. Upon completion of this program, students will understand the value of residential sprinklers and their role in helping to keep firefighters and civilians safe. Students, through hands-on participation, will also become familiarized with the set-up and operation of the Sprinkler Demonstration Trailer.

NOTE: This training is required before a fire department can use the Department of Fire Services sprinkler demonstration trailer and training will include live fire demonstrations.
